

ST. AUGUSTINE

DISTILLERY CO.

THE SPIRIT OF FLORIDA®

FLORIDA STRAIGHT BOURBON

◆ ABOUT THIS WHISKEY

St. Augustine Distillery proudly presents our Florida Straight Bourbon. Developed by the best craft distillers in the world and aged in Florida's maritime climate, this unique malted bourbon is spectacular. The grains are milled, mashed, and fermented on site. Our mash bill consists of 60% corn, 22% barley, and 18% wheat. Our distillers make precise heads and tails cuts, collecting only the hearts.

Florida Straight Bourbon starts its life in premium new oak charred barrels. Aged a minimum of three years in the Florida heat, our barrels never rest.
