

ST. AUGUSTINE

DISTILLERY CO.

THE SPIRIT OF FLORIDA®

BARREL FINISHED GIN

◆ ABOUT THIS GIN

At the St. Augustine Distillery we always strive for greatness. Our Barrel Finished Gin is completely made at the St. Augustine Distillery, using our New World Gin botanical recipe. It is then transformed into a completely different gin experience by finishing the spirit for a full year in our freshly dumped bourbon barrels. Thus, creating one of the most spectacular barrel finished gins.

After a year of finishing in our maritime climate, our bourbon barrels impart a beautiful flavor, and give the spirit a round, smooth, soft sweetness. The interactions between the oak vanillins, lactones and the different botanicals are what make the gin so special and unique. Bottled perfectly at 100 Proof. Enjoy on the rocks or in your favorite gin cocktails.

◆ COLOR

Raw honey.

◆ PROOF

100

◆ NOSE

Warm citrus and baking spice, oak, caramel and vanilla and hints of juniper.

◆ TASTE

Orange creamsicle, spicy cinnamon, toasty citrus, vanilla sugar, and butterscotch.
